The Buccaneer's golf course was designed in 1973 by Bob Joyce. It is a par 70, 18-hole course encompassing 5,668 yards with spectacular views of the Caribbean Sea from 13 of the holes. Challenging, yet very playable, The Buccaneer is an ideal resort course - minutes from your guest room door, rounds of less than four hours, and fun for golfers of all skill levels. After a round of golf, enjoy light munchies and drinks at Chips n' Slices at the Golf Pro Shop. Offering breakfast and lunch sandwiches, snacks and beverages, the air conditioned dining room is the perfect place to unwind after a day in the sun.

The Pro Shop also features a flat screen TV and a golf simulator. Choose from 93 great courses around the world.
